Summary

I am a secondary school graduate with a strong interest in front-end development and design. I have completed relevant coursework in HTML, CSS, and JavaScript, and have experience working on personal projects, including building a responsive website and a dynamic web application. I am familiar with front-end frameworks such as React. Additionally, I am detail-oriented, creative, and have excellent problem-solving skills. I am eager to learn and grow as a front-end developer, and I am excited about the opportunity to contribute to a dynamic team and gain hands-on experience in the field.
